## Legion Commemorates Vimy

At a well attended meeting, when visitors from Standard, Irricana, and Acme were present, members of the Strathmore Branch of the Canadian Legion, gathered on Tuesday evening to mark the Anniversary of Vimy. The meeting opened with a long period of business, then carried on to a social evening.

New members admitted to the Branch during the evening included G. W. Skinstead, of Cheadle, Ralph Stinn and Francis Stinn of Rockyford, and H. W. Schultz, Victor Colpoys, C. Cockx, Roland Hanson and C. A. MacLean.

Decision was made to give special mention to two long-time comrades, Canon T. B. Winter, and W. S. Paterson.

Following much debate by the committee, a suggested plan for a memorial to the heroes of World War I was submitted to the meeting and motion made for execution. This entails a footstone, with inscription on a sloping face, abutting the present stone, at its foot. The intention is to have the two stones follow the same general pattern.

In addition to this, plans are being made to landscape the area surrounding the building, to build a concrete walk to the cenotaph, to alter the flag pole, to plant evergreens behind the two stones, and to improve the fences.

President elect Cliff Way presented Past President H. C. Willson with a Past President's button, and thanked him warmly, on behalf of the members for his efforts during the past year. Comrade Willson, in replying, assured the Branch that anything he had done had been a pleasure, and a privilege.

Comrade Willson, then asked the new officers of the group to come forward and installed them in their various offices.

A. V. McParland then proposed the

## Girls Garden Club Formed

Miss Norma Hogg, District Home Economist visited Strathmore Thursday when she addressed the girls of the High School on the benefit derived from forming a Girl's Garden Club.

Miss Hogg explained the project in detail and aroused the keen interest of the girls.

The first year comprises a gardening project, the second year Home Beautification.

As a result of Miss Hogg's talk a Club was formed. The following officers being elected: President, Olive Potter; Vice-President, Barbara West; Secretary, Mary Abell; Press Reporter, Audrey Thompson.

Members joining:—Olive Potter, Strathmore, Alberta; Audrey Thompson, Box F, Strathmore; Margaret Scott, Box 217, Strathmore; Margaret Sinclair, Box 244, Strathmore; Grace Tench, Box 205, Strathmore; Helen Boissevain, Strathmore; Ellen Bennet, Strathmore; Yvonne Mac Gannon, Strathmore; Bernice Welschmer, Box 24, Cheadle; Yvonne McKenzie, Strathmore; Myrtle Morton, Box 55, Strathmore; Virginia Bower, Strathmore; Florence Potter, Strathmore; Beverly Henderson, Strathmore; Bernice Kondo, Lyalta; Ruth Way, Box 263, Strathmore; Miriam Ekes, Box 278, Strathmore; Violet Lutz, Strathmore; Doreen Issard, Strathmore; Jean Tew, Strathmore; Barbara West, Strathmore; Laurel West, Strathmore; Jean Kermack, Strathmore; Evelyn Russell, Box 27, Cheadle; Mary Abell, Strathmore; Ruth Osterward, Strathmore.

Carseland Club Organized;

## TOWN COUNCIL

At the regular meeting of the Town Council held on Tuesday night, the mayor and five councillors were present. The mayor related how the British-American Oil Company had promised to have a representative check their local distributing centre to see what might be accomplished there.

An application from Baldwin Motors requesting permission to construct a fill at the back of the shop in order to permit truck bodies to enter the garage was approved, providing that if any objections concerning obstruction of the laneway were received, steps would be taken to correct the defect.

In connection with the application to purchase two lots in the residential zone, Council felt that in view of the possibilities of establishing water-works in town, it would be in the best

—(Continued on Page five)

## SAUDER HEADS NEW WATER PROJECT

Appointment of P. M. Sauder as manager of the St. Mary and Milk River Water development was announced in Edmonton on Wednesday. This scheme was recently taken over by the Government and was formerly known as the Alberta Railway and Irrigation Co., with headquarters at Lethbridge.

Mr. Sauder will continue to hold the position of manager of the Western Irrigation District, with offices in Strathmore.

Assistant manager of the St. Mary project will be George S. Brown, who managed the scheme in Lethbridge for the company for some years. It is expected that Mr. Brown will continue to manage the project, while Mr. Sauder's appointment places a government representative officially in charge.

## Thoughts on Easter

Hidden amid the beauties of the garden belonging to Joseph of Arimathea which was close to Calvary there was a tomb. Into this tomb the body of Jesus was laid by his friends after he had suffered all the ignomies and cruelties of the Cross, on Calvary.

Life holds many such situations. Many a beautiful garden holds a grave in which the remains of some loved one lie entombed. Someone dearer to us than life itself. But in a garden faith and hope grow up anew along with the lily and the rose. Most graves have become a sacred garden spot in the memories of someone left bereaved by death and sorrow.

But that tomb which sheltered for such a brief period the body of our Master, hidden in the beautiful garden belonging to Joseph, has become one of the most sacred spots on earth. Countless generations of Christian people have meditated on the scene that took place there that first Easter morn.

That event was one of the first of its kind that ever happened on this green earth of ours. That garden felt the first footsteps of one who had broken through the chains of death and the grave. One whose life was so completely filled with all Divine qualities that He could not perish in the tomb. Our Easter Faith is deeply rooted in this fact, which is one of the best-attested facts of all history, the resurrection of Jesus from the Grave.

Strange as it may seem to us at first, but the resurrection of Jesus took place according to law imbedded in the Universe by which no Divine Qualities of Life can perish, but lie beyond the reach and power of death. Because they are Divine they are also eternal and non-perishable.

That is why Easter Morn transforms our sorrows into joy.

It lifts our beloved dead out of the dust of the earth and raises them into the pure radiance of God's Divine Presence for evermore.

That one Cross on Calvary, that one tomb in Joseph's Garden have changed the course of human history; ennobled the concepts of life and death and captured the souls of multitudes since that glorious Easter Morn nearly two thousand years ago.

"Soar we now where Christ has led,  
Following our exalted Head;  
Made like Him, like Him we rise;  
Ours the Cross, the grave, the skies."  
W. E. SEIBER.

## BOW VALLEY COUNCIL HOLDS FOURTH MONTHLY MEETING, 1946 Harwood Again Reeve

Following are the Minutes of the Council of Bow Valley held in the Municipal Office, Strathmore, Wednesday, April 18th, 1946.

Present were: Councillors John A. McArthur, J. M. Wheatley, James Harwood, Emory Jackson and W. H. Hartell.

The meeting was called to order by the Secretary who, acting as Chair man, called for nominations for Reeve.

Councillor Wheatley nominated Councillor Harwood.

Mr. Jackson moved that nominations for a Reeve close. Carried. Mr. Harwood was declared elected.

Mr. Harwood took the Chair, thanked the Council for their confidence placed in him and called for nominations for a Deputy Reeve.

Councillor Jackson nominated Councillor Wheatley.

Mr. McArthur moved that nominations for a Deputy Reeve close. Carried. Mr. Wheatley was declared elected.

It was moved by Wheatley that we request the Department of Agriculture, Regina, to make a new Prairie Farm Assistance Field check on the thirty northerly sections in Twp. 23, Rcs. 22-4th. We contend that this area qualifies for Assistance. Carried.

Councillor Wheatley moved that Messrs Collins & Collins, Chartered Accountants of Calgary be appointed Auditor for 1946 and that the audit fee be set at \$350.00. Carried.

Moved by Mr. McArthur, that we hold regular monthly council meetings the second Tuesday of each month at 10 A.M. and that such meetings be held in our office at the Town of Strathmore. Carried.

Councillor Jackson moved that we accept all cheques in payment of taxes at Strathmore at par. Carried.

Councillor Jackson moved that Councillors for Divisions 1 & 2 be a committee to settle disputes in connection with damage claims at the pound situated on the S. E. 15-23-25-4th; that Councillors for Divisions 3 & 4 be a committee to settle disputes in connection with damage claims at the pound situated on the N. E. 32-23-25-4th; and that Councillors for Divisions 4 & 5 be a committee to settle disputes in connection with damage claims at the pound situated on the N. W. 29-23-26-4th. Carried.

Moved by Mr. Wheatley that we ap

point a Finance Committee to certify accounts on behalf of the town, that two members of this committee certify each account for payment and that this Committee consist of Councillors McArthur, Jackson and Hartell. Carried.

McArthur moved that this Council constitute the Local Board of Health; that the Reeve be Chairman and the Secretary-Treasurer the Secretary thereof; that each member of this Council be an executive officer of the Board to look after health matters in his Division; and that health matters be taken up at each regular council meeting and at meetings called by the Chairman. Carried.

Moved by Councillor Wheatley that each member of this Council be a relief officer in his Division and with authority to issue emergency relief orders and to make recommendations as to the amount or amounts necessary to meet the needs of applicants or recipients of relief. Carried.

Mr. McArthur moved that the Legislative Committee consist of Councillors Wheatley and Harwood. Carried.

Mr. Wheatley moved that W. E. Thompson be appointed Inspector under the Mothers' Allowance Act and

(Continued on Page Two)

## COPY OF TELEGRAPH SENT BY M.D. OF BOW VALLEY

Hon. W. A. Fallow  
Minister of Public Works,  
Edmonton, Alberta.

Municipal Council of Bow Valley at Strathmore strongly urge that Highway No. 1 be put in condition and hard surfaced from Calgary to the Hussar corner. This road has been in a deplorable condition all winter and getting worse daily.

W. E. Thompson  
Sec. Treas.

## VULCANIZING BUSINESS

Another new industry is opening in Strathmore, and again it is being operated by a veteran. This time it is a vulcanizing shop, located in Donly Motors, and operated by F. J. Brailsford, formerly of Calgary. Mr. Brailsford is installing the latest type of moving electric vulcanizer, instead of the much more bulky and costly steam apparatus, and is promising expert service, on a 24 hour return basis. Such speedy work promises to be a boon to the farmer, who is accustomed to waiting sometimes two weeks or more.

Mr. Brailsford is married and has

## SCHOOL HEARS MOTT ON CHILD PROBLEMS

Thursday afternoon, Cpl. S. L. Mott, RCMP, addressed the gathered classes of Grade 3, 4, 5, and 6 pupils with regard to the problem of juvenile delinquency.

Cpl. Mott started with a picture of communities and groups of people away back in the early days of the race, when there was little in the way of law, or organized policing. He traced from this the growth of legal restrictions and law enforcing bodies occasioned by the needs of the majority in so natural a manner that all of his hearers, though of such varied capacities, could understand and clearly appreciate their position and need in the present day.

Growing from an increasing appreciation of the need for measures combatting the wave of juvenile delinquency presently being experienced, this talk was one of the results of the conference held which Cpl. Mott attended.

two sons. He is expecting to move his family to Strathmore as soon as he can find accommodation. He is a veteran of both of the Great Wars.

## M. D. BOW VALLEY

FOURTH MEETING, 1946  
(Continued from Page One)

the Old Age Pension Act. Carried.  
Moved by Councillor Wheatley that the Reeve and Secretary-Treasurer be authorized to pay the following accounts as they become due: office light, telephone, salaries, school requisitions, social service tax requisitions and road crew's wages, semi-monthly. Carried.

Councillor McArthur moved that W. E. Thompson be appointed assessor. Carried.

Mr. Hartell moved that office hours be set from 9 a.m. to 12:00 Noon, and from 1 p.m. to 5 p.m. That one half day holiday be allowed our office staff each week on Wednesday's and Saturday's, each party to take alternate afternoons each two weeks. Carried.

Moved by Councillor Jackson that the following gentlemen be appointed Fire Guardians: W. J. Prowse, Cluny; W. O. Crowe, Chancellor; N. E. Scheer, Strathmore; G. B. Field, Carseland; A. Devaux, Chadwick. Carried.

It was moved by Councillor Wheatley that each member of the Council be paid at the rate of \$5.00 per day,

and ten cents, per mile, for each mile necessarily travelled in attending meetings of the Council; and that each member of the Council be paid at the rate of \$5.00, per day, and ten cents, per mile, for each mile necessarily travelled during the current year in laying out and inspecting work done for the benefit of the municipality. Also that members of committees appointed by this Council to attend to matters affecting this municipality be paid at the rate of \$5.00 per day, and expenses with car mileage at the rate of ten cents, per mile. Carried.

Councillor Wheatley moved that this entire Council be a Committee named the Public Works Committee whose duty shall be to make recommendations as to all public works to be undertaken. Carried.

Moved by Councillor Jackson; that we petition the Minister to extend the time allowed by the Act for the payment of Councillors when in laying out or inspecting work performed for the benefit of this municipality during the year 1946 from fifteen (15) to twenty-five (25) days. Carried unanimously.

Councillor Wheatley moved that Councillor Jackson be a committee of

one to attend to all our business in connection with Wyndham Park. Carried.

Moved by Mr. Jackson that we sit as a Court of Revision in this office at 1:30 p.m. May 8th, 1946, and hear complaints against the 1946 adopted assessment. Carried.

Moved by Mr. Wheatley that we approve the granting of a license to Arthur Grant of Standard to operate a garage and filling station in respect to premises to be located on the S.E. 12-24-23-4th. Carried.

Moved by Mr. Wheatley that we approve the granting of a license to Peter Dankworth of Standard to operate a garage and filling station in respect to premises to be located on the N.E. 12-24-23-4th. Carried.

Councillor Wheatley moved that the Public Works Committee be a Committee to inspect all roads in the municipality and bring in a recommendation of public works to be undertaken in 1946. Carried.

Mr. Jackson moved that a night letter be sent to the Hon. W. A. Fallow Minister of Public Works, stridently urging that the No. 1 Highway be hard surfaced to the Husker corner. This road is in a deplorable condition and is getting worse. Carried.

Mr. D. Brook School Trustee for Wheatland School Division No 40, was present and he and the Council mutually discussed the question of requisitions and the levying of taxes necessary to produce such monies and at the same time to make provision for discounts for pre-payment of taxes. Mr. Brook gave information and left teacher salary list and schedules for the Council's information. The Council complied with the Department's request and delayed the establishing of current school tax mill rates pending receiving further information from the Department, which was expected.

Moved by Councillor McArthur that a First Aid Kit be ordered and included in our grading new equipment. Carried.

Councillor McArthur moved that our Reeve investigate the necessity of providing fire extinguishers for our grading outfits and report at our next meeting. Carried.

It was moved by Councillor Jackson that a notice be put in the Strathmore Standard regarding the dumping of rubbish on roads and of our intent to take action to abate this nuisance. Carried.

Councillor Wheatley moved that Mr. Harwood be a Committee to purchase an old motor chassis and to have a cook house trailer built on it. Carried.

Councillor Wheatley moved that Messrs Harwood and McArthur be a committee to investigate a means of transportation for our Field Supervisor. Carried.

Purchase of 2.4.D Weed Killer and Sodium Chlorate:— Councillor Wheatley moved that we accept the recommendations of the Agricultural Service Board and purchase a 45 gallon drum of 2.4.D Weed Killer and \$100.00 worth of Sodium Chlorate with stabilizing agent. Carried.

Councillor Wheatley moved that the cash statement for the month of March, 1946, be received and recorded in these minutes. Carried.

## LANGDON

by G. E. W. —

The W. I. Hall was filled last Thursday evening when Mr. Blue of the Langdon Corner Service Station dealer for McColl Frontenac products put on a very interesting picture show. A special Mickey Mouse feature for the children was thoroughly enjoyed. The evening of entertainment has been looked forward to for some time, and our appreciation goes to Mr. Blue who is responsible for such an enjoyable

evening.  
The Saturday evening Young People's party held in the W. I. Hall was enjoyed as usual by a large number of girls and boys. Some of the ladies dropped in during the evening and enjoyed themselves very much. A delicious lunch was served.  
The United and Baptist Churches held a joint service in the Baptist church on Sunday morning. Mr. Ald-

ridge and Mr. D. Bittle took the services. There will be a service in the W. I. hall on Good Friday evening at 8 o'clock.

Mrs. P. Matul is at present in the Bassano hospital.

Wesley Nicholson is a patient in the Belcher hospital. Doris Colwell, is also a patient in the Belcher we hope these two young folk will be well soon and home again.

### LOST, STRAYED AND STOLEN, FILE COPIES, THE STANDARD

Checking through the files of *The Standard*, one day, for a customer who wanted ancient information, we found that a couple of copies are missing, lost or strayed. The stolen refers to an advertising agency who promised to return a copy needed for checking purposes.

We are wondering if among the old piles of paper that accumulate around nearly every household, some of our readers may have copies of *The Standard* dated 1922, 1945, and January 31, 1946. If so, and if they can be spared from the bottom drawer which they are lining, we would certainly appreciate receiving them, so that we may put the file of back copies in perfect shape again.

## LEGION

(Continued from Page One)

toast to the men of Vimy, and in a brief but very forceful address outlining his estimate of the feelings of those men who did not return from Vimy, as the various stages of the World conflict only recently ended had evolved. The president then asked Major Young, PPCLL of Calgary to inform the members of the proposed reserve unit here.

Major Young pointed out the fact that there would be three distinct entities to the new Canadian Army including the Active Force, the Reserve and the Supplementary Reserve.

Strathmore's interest lay in the Reserve Force, which is more or less similar to the former N. P. A. M. It was proposed, he disclosed, to establish here, not the A/A troop formerly suggested, but a troop of Anti-Tank. Such a troop would have an establishment of one officer and thirty-six other ranks, with about ten percent for supernumeraries.

All that could be done for the troop immediately, he pointed out, would be to erect a hut some 60x16 feet. This is because of the acute shortage of building material and the more urgent need of homes. Later however, it was planned to erect a more permanent armories, on the scale of what is known as a platoon armories.

Insofar as the hut is concerned, Strathmore is presently number five priority. Such an armories, he stressed, was not to be considered as merely an army training centre, but as a complete centre for the use of the entire community.

Training would amount to a matter of 30 days in the year and made up of 2 nights a week and odd weekend training schemes, and in addition, 15 days in camp. At present, two nights are considered the equivalent of one day in training, and the weekend would count day for day.

T. E. Snow, D.O.C. M.D. 13 will come to Strathmore to go fully into the question on April 30.

## RURAL GLEICHEN

Ernie Johnson left Tuesday morning for New York, on the first leg of his trip to Sweden.

We are very sorry to hear Mr. J. Koefoed is quite poorly. He is with his daughter Mrs. C. E. Messenger in Calgary.

D. R. McLeay returned home Tuesday morning after several years overseas.

Sarah and Anna MacMullen came from Calgary to spend the week end at home.

Last Monday evening a large crowd enjoyed the pictures shown at Meadowbrook hall.

Saturday was the first time in many years a matinee was given in Gleichen. Many children availed themselves of the opportunity and attended.

Mr. and Mrs. S. Hall, Mr. and Mrs. G. Hall, and Mr. and Mrs. W. Cook motored to Thompson last Sunday to visit Mr. and Mrs. D. Henderson.

Mrs. J. A. McArthur and Donald called on Mr. and Mrs. J. L. Greaves of Majorville Sunday.

There will be service in St. Andrew's Church on Good Friday at 3 p.m. on April Sunday April 18th, there will be Holy Communion at 11:45 a.m. We hope there will be good congregations present at both services. Rev. D. A. Ford, B.A. will be in charge of both Services.

## CHEADLE

—By B. W.—

A delicious Pot Luck supper on April 3rd, was served by the ladies of the Cheadle community to assist in raising funds for the Red Cross. Supper was served to a large crowd for over two and a half hours, by the busy ladies. Following this an auction was held of articles donated by the community. Mr. Lloyd Lewis was auctioneer and raised a grand sum of \$105 from the willing bidders. Mrs. D. Hebble and Mrs. D. Keer acted as hostesses on this occasion.

S/L R. C. Dunn and Mrs. Dunn announce the birth of a daughter, Michele, born at Cambridge, England, March 29th.

Berniece Welshimer entertained 12 guests at a turkey supper Monday evening, the occasion being her 14th birthday.

Mrs. Fraser (nee Leila Smith) a bride of March 29th, was guest of honor on Wednesday afternoon when Lucy Welshimer, Doris MacDougall and Mary Russell were joint hostesses at a miscellaneous shower held in the Cheadle hall. Leila received many beautiful gifts for which she warmly expressed her thanks to the twenty-eight guests present. After the gifts were passed around a delicious lunch was served.

Mr. and Mrs. R. Walker arrived home after spending the winter in the States.

Mr. and Mrs. A. Drake and family spent the week end visiting with relations at Iricanna.

## STOBART

Norman Prestwick, who recently returned after five and a half years overseas was a week end visitor at Andy Johnson's home.

Last Thursday, Mr. and Mrs. George McBean, and Mr. and Mrs. W. Pomroy motored to Calgary to attend the graduation exercises at the University of Alberta where their daughters, Leona and Margaret have been taking the Teacher's Training Course. They report a very interesting and enjoyable afternoon and evening.

Mrs. Roy Porter spent several days last week visiting relatives at Shepard

## CLEAN UP - ITS SPRING

Spring is well on its way, and residents of the town and district are beginning to bestir themselves in cleaning up their homes, lawns and gardens. During the winter months, the snow covers up a multitude of sins around our homes. Refuse, papers, dead leaves and rubbish appear to accumulate during these months, and now is the time to brighten our landscape by cleaning up around the town.

"After six years of war homes, gardens, business properties and vacant lots generally, have become dingy. Let's get busy and clean them up and keep them clean."

Strathmore has long enjoyed the reputation of being a clean town. Let's keep up the reputation, not only by raking and generally cleaning up, but also by painting homes and buildings where needed. Nothing will aid so much in maintaining the general appearance of a town as clean and freshly painted homes. Nothing can make that same town appear more run down at the heels than slovenly boulevards and lawns and unpainted, dilapidated homes.

Let's keep our reputation as a smart appearing town by spending that smart appearing two or three hours around our home grounds cleaning up the debris.

## CANADA NEEDS THESE MEN

Of all men, it is the historian, perhaps, who is best able to look objectively on human affairs, finding in what is happening today a significant resemblance to what happened, it may be, many centuries ago. He may not subscribe altogether to the popular belief that history repeats itself. But he will probably admit that an unbroken chain of cause and effect can be traced throughout the recorded history of mankind. To him, tribes and races, nations, empires and civilizations themselves are living organisms that wax and wane, subject to laws of growth and decay, sensitive to internal and external pressure, plant-like in their need for continuous cultivation if they are to remain sturdy, fruitful and long-enduring.

Every human society has within itself the seeds of its own dissolution. And harking back, perhaps, over the centuries to the glory that was Greece and splendour that was Rome, our historian would point to moral decay—the general lowering of standards of human conduct—as the dry rot which, in the plenitude of their power, insidiously sapped the very foundations of mighty nations, laying waste the triumphs and achievements of centuries. These thoughts come to mind with the receipt of a booklet issued by The United Church of Canada and entitled

"Canada Needs These Men." It sets forth the pension needs of the church's aged ministers and deacons, too, upon the necessity of encouraging young men entering the ministry on meagre salaries that won't permit saving for old age. The booklet tells of the many good reasons for the nation-wide United Church Pension Fund drive, from April 28th to May 16th, to place the fund on a "sound, actuarial foundation."

From the editorial desk, the significance of this appeal appears to extend far beyond the necessary alleviation of the financial plight of ministers. The only possible conclusion to be drawn from much that is happening in Canada is that it emphasizes a national need for moral and spiritual leadership. Canada does indeed need these men and all such men—whatever their creed, denomination or religious affiliation.

## MORE CAR-TRAIN ACCIDENTS

Carelessness of motorists, faulty visibility due to "fogging" of windshields and car windows resulting from frosty weather, and failure to heed the time-honored signals, STOP, LOOK, and LISTEN, continue to take their heavy toll in death and injuries.

This much is clearly evident in statistics compiled by the Board of Transport Commissioners for Canada showing that there were 378 accidents at railway crossings in the Dominion during 1945. These accidents resulted in a death toll of 129 persons and a total of 568 persons were injured, some of them seriously, as the result of contesting the right of way with locomotives and trains.

The Board, breaking the accidents down into various compartments in order to determine underlying causes, reports that in 107 cases, nearly a third of the total, it was the automobile which RAN INTO THE TRAIN.

In most other cases appears the entry, "Automobile drove onto crossing in path of train and was struck".

Indicating that impaired visibility has a direct bearing on ratio of crossing accidents, as it has on most other forms of mishap involving motor vehicles, statistics reveal that the months of November and December are most prolific in accidents of this sort. During these months, days are shorter and the cold weather tends to cut down visibility by frosting windshields and windows. The imperative need for widespread use of anti-fogging and de-frosting devices on all types of motor vehicles, including farm trucks, is clearly evident.

Above all, however, seems to be the need for caution at all times, with more cars expected on the highways

this year, now is the time for motorists to take stock. The railways are doing their best to cut down the crossing accident toll by constant education among their employees and the public, and the Dominion government assists greatly through administration of its Level Crossing fund. Nothing, however, can save drivers from their own folly.

## CHRISTIAN SCIENCE

The Christian Science churches on Sunday will hear a Lesson-Sermon elucidating the subject, "Doctrine of At-onement." It is based on such passages as these: "Behold, I will send my messenger, and he shall prepare the way before me; and the Lord, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant, whom ye delight in; behold, he shall come, saith the Lord of hosts. (Malachi 3; 1). "Jesus mapped out the path for others. He unveiled the Christ, the spiritual idea of divine Love." Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 38)

## CARSELAND

By Mrs. K. H. —

Mrs. N. J. Mutch of Carseland, will leave Wednesday for Toronto and Montreal where she will visit her sister, Mrs. C. L. Annis in the former city and will be the guest of Mrs. J. L. Atkinson of Montreal. Mrs. Mutch is the daughter of Mr. and Mrs. T. J. Atkinson of Calgary.

Mrs. R. Lennox is now making favorable progress after her recent operation.

The Good Friday service of the United Church will be held at 11 a.m.

Mr. and Mrs. Siska are being congratulated on the birth of a son.

Mr. Glen Field is home again and able to be out after his recent operation.

A number of friends gathered at the home of Mr. and Mrs. W. Slater to bid farewell to Mr. Jack Thomas who is leaving to make his home near Blackie. After an evening of cards and a delicious lunch Mr. M. Phillips presented Mr. Thomas with a pair of Hudson Bay blankets.

We are pleased to welcome Mr. and Mrs. Kane to our community. Mrs. Kane, an English war bride arrived from England last week.

Mrs. W. Cole is now much better after her attack of pneumonia, and is staying with her mother at High River until completely recovered.

Congratulations to Mr. and Mrs. Arthur Borgquist whose marriage was a recent event.

## CHANCELLOR

by Mrs. J. M. W. —

Miss Francis Hornig of Banff was visiting at the Channing home for a week.

The community honored Mr. and Mrs. Henry Pederson on Friday evening, when many friends and neighbors gathered in the Chancellor Hall. As the young couple entered the Hall the orchestra played "Here Comes the Bride", both blushing, they walked the length of the Hall, everyone then joined in the dancing. During the midnight lunch hour Mr. J. M. Wheatley, on behalf of the community, presented the happy couple with six red leather chromium chairs. Both Henry and Ada thanked their friends for the gifts and the party and dancing continued till the wee small hours of the morning.

**TAKE PRIDE IN ALBERTA!**

**OUR HIGHWAYS TO PROSPERITY**

**OVER 2200 TOWNS, VILLAGES AND CITIES IN ALBERTA  
DEPEND ON HIGHWAYS  
AS THEIR ECONOMIC LIFELINE FOR INDUSTRY AND COMMERCE**

Alberta is preparing for invasion . . . invasion by the friendliest, most travel-minded people in the world . . . the people of the United States. Holiday-hungry for the most magnificent scenery on earth, they will converge upon this vacation wonderland that is Alberta. They will come by train, by plane, and by bus, but . . . owning, as they do, 25 million automobiles, more than one-quarter of our tourists will come by motor car.

*These motoring tourists are our most profitable tourists! They touch upon a greater number of our communities for gasoline and services, more vacation spots are accessible to them, thus their tourist dollars are spread over a wide area.*

**INDEED**, the motoring tourist is one to get excited about . . . **AND**, we can expect them in ever increasing numbers as our highway and tourist facilities are improved and expanded.

**OVER SIX MILLION DOLLARS WILL BE EXPENDED ON HIGHWAY BUILDING AND IMPROVEMENTS IN 1946**

Alert to the tremendous advantages and scenic attractions we have to make Alberta a tourist mecca, the Provincial Government is spending to the limit of available materials and labor on highway construction and repairs. Every fair minded citizen knows these expenditures are a sound investment, for all-weather highways will pay for themselves. If our highways are below standard, we in Alberta will pay for them, but . . . if they are good . . . the people of the United States, the tourists who motor here . . . will pay for them . . . **GLADLY!**

Listen In To . . .

**CAPT. J. HARPER-PROWSE**  
over CFAC CALGARY and CFRN Edmonton  
Sunday—9:45 p.m. and Thursday—8:15 p.m.

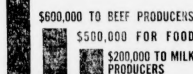

**47% OF TOURIST DOLLARS GOES FOR SALARIES AND WAGES TO ALBERTA PEOPLE**

When a tourist takes a dollar bill out of his pocketbook this is where it goes:

- 1-23c to hotels and resorts;
- 2-31c for retail purchases;
- 3-18c to restaurants;
- 4-8c for entertainment;
- 5-10c to garages and gasoline stations;
- and 19c for miscellaneous items.

**\$5,000,000 FOR SALARIES AND WAGES**

**INCREASED TOURIST TRADE WILL INCREASE BUSINESS AND EMPLOYMENT OPPORTUNITIES**

As our highway system is expanded and brought up to date, more and more tourists will stream into Alberta. This means we must plan to expand our present facilities. Opportunities will be provided for our Veterans to establish themselves in businesses catering to this lucrative Tourist Industry, and an additional market for everything we make and grow will mean much to Alberta Producers and Industry . . . opening new opportunities for employment for our citizens.

**DO YOUR PART TO BUILD OUR TOURIST INDUSTRY**

Like other businesses, tourist trade is highly competitive; and like other business managers, we must be alert and on the job to promote our business by telling the world that WE have the best bargain in scenery . . . the best product in the world. As each one of us is an important stockholder in the tourist business, we must not miss a single opportunity to boost. Sell Alberta's attractions in your letters and invite friends in the States and Canada to vacation here. **AND**, when they do arrive, show them every courtesy and make them welcome. **REMEMBER**, your consideration for tourist comfort and enjoyment will pay off in BIG DOLLARS.

**THE TOURIST BUSINESS IS EVERYBODY'S BUSINESS . . . IT'S GOOD BUSINESS**

**TOWN COUNCIL MEETING**  
(Continued from Page One)

interests of the Town to try to sell lots along the pipeline instead of having to run extra spur lines. With this in mind, the applicant is being asked to reconsider his selection.

Motion to sell three lots for which application has been hanging for some time was made. Refusal having been granted the first applicant, if the lots are not taken up immediately, they shall be sold to the second applicant. These lots are on Fourth Street, West of Third Avenue.

Garden lots were granted to J. Brenner, and Mrs. Fedewich, both lots on Railway Ave., and to A. Chase, in the position he held last year.

Application to open a vulcanizing shop in town, by F. J. Brailsford, was approved.

Suggestion was made that in order to regulate new entries into the business section, a Business Tax be imposed. Some discussion on this point followed, it finally being agreed to leave the matter for the time being in the hands of the Dept. of Trade and Industry at Edmonton.

The lot next to J. Ekles blacksmith shop was moved leased to him for the balance of the year, subject to sale, with the first refusal. Some discussion followed as to the lead to the town in leasing sites at less than normal taxes would be.

A question was raised with regard to building sidewalks. Council decided that on the whole, the sidewalks in town were in quite fair shape and with the possibility of installing water which would necessitate digging under such new sidewalks, that this matter be left until a later date, when the water picture was a little clearer.

In connection with developments on the Godfrey Brothers lots at the foot of Third Street, the Godfreys will be asked to submit plans of their proposed installations at the next meeting.

The Fire and Light committee were instructed to check on the repairing of the cribbing at the pump house, and also to try to have the sluice ditch to the feed pipe opened.

Complaints regarding sanitation having been received the Secretary was instructed to notify the owners and see what might be done.

Announcement was made that the drama ground had been materially changed in, and that if kept in the same orderly manner as it now presents it should last the Town for years to come.

A sign will be erected at the gate to the grounds, asking dumpers to conform to standard practices, and letters may be sent to the principal dumpers in the town, asking their cooperation.

A question was raised with regard to the statutory holidays which the government declared recently and after some discussion, Council was inclined to feel that the matter had been fairly well handled by the merchants in years past, and that little was likely to be gained by their interfering at this time.

In view of the City of Calgary having moved to adopt Daylight Saving time on the 15th of May, some discussion was heard concerning the advisability or lack of it of Strathmore following suit. It was pointed out that there would be considerable confusion either way, unless the movement were province-wide. Inasmuch as there is another meeting before that time, it was felt that nothing would be lost, and further information would be gained by waiting until that time.

Permission was granted the Strathmore Lions Club to erect a display stand on Main Street the Saturday night before the Carnival on the First of July, and also to erect the coloured lights on Main Street. Permission to burn the high grass surrounding the swimming pool was also granted, if the burning be done immediately.

Accounts to the amount of sixty dollars were passed.

### IN MEMORIAM

Memories will always remain of Glen (P.O. R.C.A.F.) who over enemy territory April 23rd, 1944. How ever long our lives shall last. Whatever things we do. Whatever joys and griefs be ours. We shall always remember you.

Lovingly remembered by Mr. and Mrs. G. Cooper, and Dorothy Walsall, England.

### IN MEMORIAM

Treasured memories of dear Glen (P.O. R.C.A.F.) who sacrificed his life April 23rd, 1944. His face is ever before me. His voice I never forget. His smile will linger forever. In my heart he is living yet.

Sadly missed by Iris, Walsall, England.

### IN MEMORIAM

In loving memory of a dear husband and Father, Duncan Clark, who passed away April 17, 1945. Today recalls sad memories of a dear one gone to rest. And those who think of him today. Are the ones who loved him best.

Sadly missed by his loving wife and family.

### FARM INCOME TAX CHANGE

The federal government announced last Monday that a new plan would be put into effect in order to encourage delivery of wheat from farmers. Under this scheme farmers may deliver wheat between April 1st and June 30 without fear of being penalized in their 1946 income tax returns.

The plan provides that the farmer be given something in the nature of a warehouse receipt on delivery of his wheat in the period mentioned. He will then have the right to dispose of this receipt for cash in the years 1946, 1947 or 1948. The price he receives will be the prevailing one, namely the initial payment on the basis of \$1.25 a bushel for 1 northern at the terminal plus participation certificates for the year 1945-46.

This means that the proceeds received from wheat marketed over the next three months, April 1st. to June 30th, can be applied at the producer's option against his income in any of the years 1946, 1947 or 1948.

The Budget

### ADAPT NEW TECHNIQUE FOR ANIMATED MAPS

In recent years animated war maps, generally global perspective maps on which routes of strategy, lines of communication and so on are marked, have been in constant use in documentary films. The traditional animation technique for making these maps, called the "single-cell" method, is to make a separate drawing celluloid for every single frame of film.

A new technique, known as the "glass scratch-off" method, has recently been evolved by the National Film Board. Maps are painted on cards about two feet by three. Arrows, routes and other symbols which are to animate are painted on sheets of glass and placed over this card. The point on the glass is then scratched off little by little, a frame of film being photographed every time a sliver of paint is scratched away. The finished product will give the impression that the painting on the glass disappears. To make a symbol appear the same method is used, but the frames are photographed backwards. The symbol then seems to appear from nothing. The advantage of the "glass scratch-off" method is that by manipulation of this simple principle a great deal of complex animation can be accomplished with a fraction of the labour needed to do it by the "single-cell" method.

Filmstrips have proven to be one of the most useful media for study in schools, because they can be adapted to suit the particular needs of any class.

### WORLD OF WHEAT

H. G. L. STRANGE

Director "The Crop Testing Plan."

### THE NEED FOR MORE WHEAT

Evidence continues to pour in from people on the spot in European Asia of the tragic situation that millions will find themselves in from lack of food in the next few months. Every farmer who feels, therefore, that he can reasonably well spare even a load of wheat from his bins will certainly be performing a most humanitarian act by hauling it to market so that it can be shipped quickly abroad.

But the need will not end in August. Much wheat, man's finest food, will be required during the Winter of 1946 and the spring and summer of 1947. Farmers, therefore, whose fields now have good reserves of moisture, and who feel they could sow additional land to wheat this coming Spring, would certainly be helping to alleviate the acute distress from hunger and disease that will still prevail in Europe and Asia at least for eighteen months to come. The Dominion Government so far has not asked farmers to sow any additional wheat acreage, so that the matter is left to each individual to do what he feels best considering all the circumstances. We must remember, too, that these starving people in Europe and Asia are our past, and we hope future, customers for our prairie products.

## NIGHTINGALE

— By Mrs. F. H. —

The Agricultural meeting at the hall last Friday was well attended. Mr. Boulton showed films on industry, the building of a pipe organ, one on the production and marketing of potatoes and on the beauties of the Rockies. Miss Hoag gave an address on boys and girls clubs. She stressed the advantages to children through the associations of these clubs. A hearty vote of thanks followed. Coffee and sandwiches were served at the close of the meeting.

Miss Myrtle Stoddley of Calgary and Kathleen Harriman of Hussar spent the week end at home.

Congratulations go to Mr. and Mrs. Eddie Risdon on the birth of a daughter on April 12th.

Friends of Mrs. Chas Kimmitt are very pleased to know she is improving at the Holy Cross Hospital.

Seeding is in full swing here this week. Some left over threshing is also being cleaned up.

## FAIRPLAY

By Mrs. E. L. A.

Mr. and Mrs. A. Heckle entertained a number of friends on Wednesday evening. Seven tables of "600" were played after which a most delicious lunch was served by the hostess. High scores went to Mrs. Whitney and Dave Heckle, second high to Mrs. Schmale and Mr. Braden. Consolations to Mrs. Kernaahan and Mr. Whitney.

Mr. and Mrs. H. O. Peterson had as their guests for the week end their son and daughter-in-law, Mr. and Mrs. G. Peterson of Calgary.

Among the Easter visitors at home will be Ruth Lowe from Springbank, Billy Anderson from Lethbridge, and Iris Silkestone from Medicine Hat.

Mr. and Mrs. Dumbleton entertained Mr. and Mrs. Schmale and family on Sunday.

## DALEMEAD

C. V. V.

Little Miss Dianne Ward is in a Calgary Hospital with Pneumonia. We do hope she will soon be home and well again.

The Dalemead Community Sale held at the Hall was a huge success and will help to put the Hall in fine shape. Some Six hundred dollars was realized from the sale for the hall. Thanks to all for their splendid support.

A few farmers are busy on the land at present.

A number of young people gathered at the home of Mr. and Mrs. Wesson Miller Jr. last Saturday evening honouring Mr. and Mrs. Everett Best on their third wedding anniversary. All report a swell evening.

Mr. and Mrs. R. Vanabine and family of Langdon spent last Sunday visiting their daughter and her husband Mr. and Mrs. E. Best.

Mr. and Mrs. McKinnon of Calgary and Mrs. Ed. McKinnon of Aldrie attended the Community sale at Dalemead last Friday.

Little Miss Carol Ann Pederson is spending a few days with her grandparents in Calgary.

## CLUNY

A very successful bridge and whist party sponsored by the Cluny Savings and Credit Union was held in the dining room of the Cluny dormitory on April 5th. Everyone reports an enjoyable evening. The proceeds will be used to send a delegate to the League convention in Edmonton on April 26 and 27. Miss G. Gillander has been chosen delegate.

Allan Peterson spent the week end visiting at Innisfail.

### NEW FREIGHT CARS

WINNIPEG:— Freight trains that  
will carry heavier loads on faster  
schedules are planned by the Cana-  
dian National Railways and the first of  
three new experimental cars has been  
moved over the western region of the  
railway.

The exterior sheathing, roof, run-  
ning boards, hand brake housing and  
the doors are all of a strong, light-  
weight aluminum. Light weight of  
the aluminum car is 41,700 pounds and  
the load limit is 127,300 pounds com-  
pared with a light weight of 45,600  
pounds for the all-steel car and a load  
limit of 127,460 pounds.

## Local News Items

Mr. and Mrs. G. H. Patrick spent Friday with Rev. and Mrs. Pearson in Medicine Hat.

Mrs. Crory's father, Mr. Ellis, and brother Paul Ellis, together with their uncle Frank, all of Springdale, Washington, are visiting here and at Husar. They drove Mr. Crory back after he had spent two months visiting in Washington, and Idaho.

Mrs. Milton Crory and baby son have returned home from Calgary.

Mr. and Mrs. W. R. J. Ney of Vancouver have announced the engagement of their daughter, Margaret, to Mr. Archibald Murdo McDonald, second son of Mr. Neil McDonald and the late Mrs. McDonald of Calgary. Many residents of Strathmore will remember both Murdo and his parents, who resided here some years ago.

Mr. Don Nichol, has recently received his discharge, and is now employed with the Royal Bank in Innisfail. Mrs. Nichol, formerly of Stand- ard, and their daughter are also in Innisfail.

Mrs. Perry was hostess at a delightful bridge of five tables at her home Thursday afternoon last. Among the guests were former Strathmore residents including Mrs. Griffin, Mrs. Pierson, Mrs. Hirtle of Calgary, Mrs. Nichol of Didsbury also Mrs. Drury of Vancouver. Local guests were pleased to have the opportunity for a chat with former residents, this combined with some interesting bridge and choice refreshments made a very enjoyable afternoon. Prize winners were high, Mrs. Hirtle, Second Mrs. Sorensen, Consolation Mrs. Willson. Mrs. Perry was again hostess in the evening when she arranged another five tables. Happy conversation, keen bridge and a jolly hour over the coffee cups again provided a very happy evening. Prize winners were high Mrs. T. S. Hughes, Second Mrs. G. Morgan, Low Mrs. N. Scheer.

Mr. and Mrs. Thurston were hosts at a very enjoyable dinner bridge last Thursday evening. A choice turkey dinner which required no appetizer to enjoy was followed by several games of interesting bridge in which Mrs. Ford and Mrs. Patrick held the high and low scores.

Miss Jean Backs will spend Easter week end with her parents in Bottrell, Alberta.

Miss Eleanor Mayhew will come from Lethbridge to spend Easter week end with her sister Mrs. R. J. Milligan.

The Baseball Club were practicing on Sunday for the first time this year. Quite a large turnout was appreciated by the club, and everyone is quite enthusiastic about the team's possibilities. No schedule games have been arranged until the 24th of May.

Mrs. Moore is in Olds this week attending the convention of the Home and School Association.

Miss Hazel Crory returned to Spokane, Washington with her uncle, Paul Ellis for a two weeks holiday.

Miss Joyce Woodliffe spent the weekend in town visiting with her father, Mr. Bill Woodliffe and Mrs. Woodliffe. She returned to Brooks on Tuesday.

Bob Koch, well known in Strathmore, returned home again on Monday after an absence of some years spent in the service and in college in the United States. He is planning on staying here for some time for a holiday.

Mr. and Mrs. T. J. Koch, after spending a very enjoyable holiday on the West Coast in the States returned home again on Wednesday of last week.

Miss Lydia McLean, popular employee on the Bank staff in Strathmore left Tuesday on a two months leave of absence.

Work on the Acme rural electrification scheme is expected to get under weigh by August. Already the poles are ready for erecting.

Mrs. H. B. Polley of Calgary spent Sunday a guest of the Garrett home.

Mr. and Mrs. J. D. Brown will be spending the holiday weekend in Red Deer, where a large gathering of the family is expected.

### ARDENODE

Mr. and Mrs. Fred Hilton and family were guests of Mr. and Mrs. G. H. Godfrey on Sunday.

Mrs. Wanda Plath was very pleasantly surprised one evening last week when a host of friends and neighbors called in to wish her many happy returns of the day. A very happy evening was enjoyed by all.

Mr. and Mrs. J. D. Brown entertained Mr. and Mrs. Macdonald of Market. He was a guest of the week.

Miss N. Love is travelling to Edmonton for the long holiday week end.

## Swimming Pool

### COMMENCE WORK

Work has really commenced on the Lions Swimming Pool and operations are under way in fine style. Following the excavation which was completed some time ago, pouring of concrete started Monday, and by Wednesday the footing was complete. The cribbing for the walls is being erected, and pouring will start immediately after that is finished.

In addition to the construction crew of Burns and Butson, there is considerable volunteer labour going into the work on the pool. Willing hands are being "conscripted" from all over, and each one is turning to. On Wednesday we noticed Charlie Scott, George Palardy, Frank Olynuk, Sandy Fraser, Clarence Lyons, Eddy Vermunt and Ray Wilkinson all in there.

Another crew of volunteer Lions working on Sunday, established a record for Strathmore in the unloading of a carload of cement in two hours and a bit. The figure we hear runs from seven hundred bags of cement to eight hundred; the latter figure coming after the crew was half way through. Labouring earnestly were Charlie Scott, George Risdon, Charlie Coles, Joe Robinson and Ed Godfrey.

### ITEMS OF INTEREST IN THE WORLD OF FOOD STUFFS

Argentine corn acreage is officially estimated at 9,516,000 acres, the smallest planted acreage since 1924-25. Stocks of wheat in the French zone of Germany are expected to be exhausted by the end of May.

European weather and soil conditions during the past few weeks have been exceptionally favourable for spring field work, and it is believed that much additional land will be cultivated for food crops. The first shipment of a promised 500,000 tons of Russian wheat has arrived in France. The weather continues generally favorable for seeding, germination and growth of the U. S. A. wheat crop.

## Girls Garden Club

(Continued from Page One)

Miss Hogg also formed a Club at Carlsland, with the following officers being elected: Kathleen McKinnon, Myrna Hansen, Bernice Christensen, Shirley Gehrke, Lorraine Kruger, Verna Garnett, Velma Laussen, Marjorie Groves, Dolly Groves, Denise Cote Dawn Cote, Edna Groves, Gilda Piening, Audrey Hebbes, Betty Anderson, Gladys Zelauk.

Officers being elected: President, Kathleen McKinnon; Vice-President, Myrna Hansen; Secretary Treas., Bernice Christensen; Press Reporter, Shirley Gehrke.

Miss Hogg, during her talk, gave an outline of many of the various professions such as nurse, air stewardess, home economist, commercial or non-commercial dietitian, chemist and so on, and the possibilities and requirements for such positions. She also gave an illustrated address on canning, sewing, handicrafts and the making of new garments.

Each of the clubs is selecting directors and mentors from among the mothers, who are proficient in the various lines. At such times as Miss Hogg is unable to attend meetings, these mentors will then be able to carry on.

### IN APPRECIATION

Mr. Gordon Koenig wishes to extend his heartfelt thanks to his many friends and neighbors who have shown him so many kindnesses and offered so much aid during the past month.

## COMING EVENTS

Big dance, Friday, April 26, Strathmore Memorial Hall, auspices Langdon Hockey Club. Jack's Orchestra. Come and help the boys.

## Gleichen Name Contest

"Sutermeister Industries" is the name which won the contest run by W. Sutermeister, Gleichen, on the opening of his new enlarged business, there. The prize, \$50.00, goes to Mrs. Mary J. Hoey of Gleichen, for her contest winning entry.

Over seven hundred names were submitted, and Mr. Sutermeister found the task of deciding between names quite difficult. There was a certain amount of duplication in entries, and a great deal of building around the "Sutermeister" and the "Gleichen" themes.

Entries were submitted from all over the country, large numbers coming from such points as Calgary, Keoma, Nanton, and of course, from many other towns located closer to Gleichen. Entries, too, came all the way from Kamsack, Sask., and from Manitoba.

## Safety Committee Formed Here

To take part in Province-wide safety campaign.

The Municipal Council of Bow Valley has appointed a Safety Committee to carry on a vigorous campaign for the reduction of farm accidents in this district.

The Alberta Industrial Accident Prevention Association is to direct the campaign for the whole of Alberta.

It is pointed out that farming is the most hazardous of industries and that the yearly cost of accidents is estimated to be in excess of four million dollars plus the suffering and tragedy caused to victims, and their families.

The Bow Valley Farm Safety Committee Members are J. A. McArthur, Gleichen; J. M. Wheatley, Chancellor; James Harwood, Strathmore; and Emory Jackson, Cheadle.

Live organizations in every corner of the Municipality are asked to contact these men for the formation of division committees.
